

Donkey Basketball: Sponsored by the Palmyra HS Key Club
February 20, 2012: 7:00 p.m. – 9:00 p.m.
Palmyra High School Gymnasium

What is wilder than a rodeo? More fun than a circus? Nicknamed the “Craziest Show on Earth?” That is right, Buckeye Donkey Basketball! This comedic night will be at the Palmyra Area High School Gymnasium on February 20, 2012. The starting time of this event is 7:00 p.m. The event will consist of three games with a short intermission filled with raffle prizes (autographed sports memorabilia, gift baskets and more!) and a free donkey ride opportunity.

Real, Live Donkeys, specially selected for Donkey Basketball, will be used for this fantastic show presented by Palmyra High School’s Key Club to help “kick off” it’s Mini-Thon week. All of the money raised and donated will be given to the Four Diamonds Fund, which has been assisting children treated at Penn State Hershey Children’s Hospital and their families through superior care, comprehensive support, and innovative research for over 38 years. This night is truly For The Kids!

Buckeye Donkey Ball of Columbus, Ohio provides the donkeys for this asinine experience. Buckeye, in business since 1934, is the oldest and largest Donkey Ball Company in the world. Humane treatment of the animals is always their first consideration, helping them to be the #1 Donkey Ball company on the road today. Please come out and help us support this great cause and take part in this comical evening. Ticket prices are \$6 dollars in advance and \$8 dollars at the door. Further information and purchase of tickets can be made by contacting John Karavage at john_karavage@pasd.us or (717)-838-1331. Come one, come all, to the Craziest Show on Earth! We hope to see you there. Remember **FTK!**
