Microsoft Student/Educator Discount Purchase Program

Lancaster Lebanon IU 13 is pleased to announce a Microsoft Student/Educator Discount Program for selected Microsoft Programs. This agreement allows students, teachers and staff in school districts across the state of Pennsylvania to purchase selected Microsoft programs for their personal use at greatly discounted prices.

Purchases are being handled through Journey Education, a leading marketing company who has partnered with IU13 and Microsoft to be able to offer and fulfill the requests. Students, teachers and staff can place their orders online or through an 800 number. Participants will be required to show verification of their employment or student status (school I.D. current schedule, school letter). This offer allows the purchase of one copy of any product per student or teacher. All products will be shipped directly to purchaser's home. The product list may be changed at any time based upon new releases of software by Microsoft.

The products currently available are:

Ordering Information

There are two ways for parents and teachers to order. You may order using the Journey Ed 800 line at 1.800.874.9001 or by ordering online at www.journeyed.com/Select - when you get to the web site you'll need to choose K12 as the type and then Pennsylvania as the state. Please note that you will be required to fax or send your proof of academic status as stated above before the software will be sent to you.
