

Palmyra HS Key Club Beacon of Hope Community Walk and Fun Run

The Palmyra HS Key Club is hosting a walk/run event to raise awareness and donations for Erika's Lighthouse.

Erika's Lighthouse was created so that students and educators can create a safe space and support for students dealing with mental health struggles. This program helps people open up about suicide prevention and depression. This is a great program because this helps kids and teens know they are not alone when dealing with their mental health.

Where: Buck-Swank Stadium
